

New Jersey's "do not call" law is perfect the way it is, The federal government should adapt the N J do not call law for the nation to allow all citizens to have a right to privacy in their own home and on their phone and computer lines. . Unsolicited calls to my home and office have been reduced by 99% thanks to N J do not call. Without the do not call, I will have to again rely on my caller I D and answering device to screen all calls. PLEASE, NEW JERSEY DO NOT CALL IS NOT BROKEN, SO PLESSE DON'T TRY TO FIX IT.
